

Environmental Policy Statement

Schenck Process UK Ltd* are market leaders for solutions in measuring and process technologies in industrial weighing, feeding, conveying, screening & automation. We will undertake our activities in a sustainable way, integrating environmental issues within our business strategy throughout our UK operations based at:

- ⊗ Alpha Court, Thorne, Doncaster
- ⊗ Test Centre, Shaw Lane Ind. Est, Doncaster
- ⊗ Southern Sales Office, Canalside court, Stonehouse, Gloucester
- ⊗ Rupert House, London Road South, Poynton, Manchester

Our significant environmental impacts typically includes the carbon emissions from our travel & goods transportation and packaging consumption.

We are committed to:-

1. Continual improvement and the prevention of pollution; and,
2. Complying, as a minimum, with all applicable legislation, other codes of practice and standards relating to our Environmental aspects.

We pursue this commitment by:-

- ⊗ Providing the tools, time, training and expertise to manage environmental issues effectively.
- ⊗ Reducing the total quantity of waste produced by our operations and promoting recycling of any waste produced.
- ⊗ Reducing the consumption of energy and natural resources.
- ⊗ Reducing pollution and the risk of pollution from our sites and processes.
- ⊗ Monitoring our performance against our stated objectives and targets; thereby continually improving the effectiveness of our Environmental management system.
- ⊗ Providing solutions to our Clients that are not only technologically advanced, but also environmentally sound.
- ⊗ Communicating this Environmental Policy and company practices to all people working for, and on behalf of the organisation.

This Policy statement is reviewed on an annual basis, last reviewed in January 2019.
